NEW HORIZONS

The year begins,
We all seem young
Our plans are faint,
Our songs unsung
We begin to grow,
We strive for more
It is the dream,
We're reaching for
Always pushing,
onward and out
Broadening horizons,
Trying New routes
Accomplishments sought,
Goals were set
Places discovered,
People were met
The New Horizons,
Have shone through
The year has ended,
The future is due.

Mr. & Miss R.H.S.

Lee Wayne West & Carla Hodges

MR. & MISS KHS

Carla & Lee Wayne

Mr. and Miss Kennedale High School is an honor chosen by the entire student body. It is based on service, character, and personality.

Lee Wayne West and Carla Hodges were chosen for the 1983-84 Mr. and Miss KHS. Both are seniors and involved in various school activities.

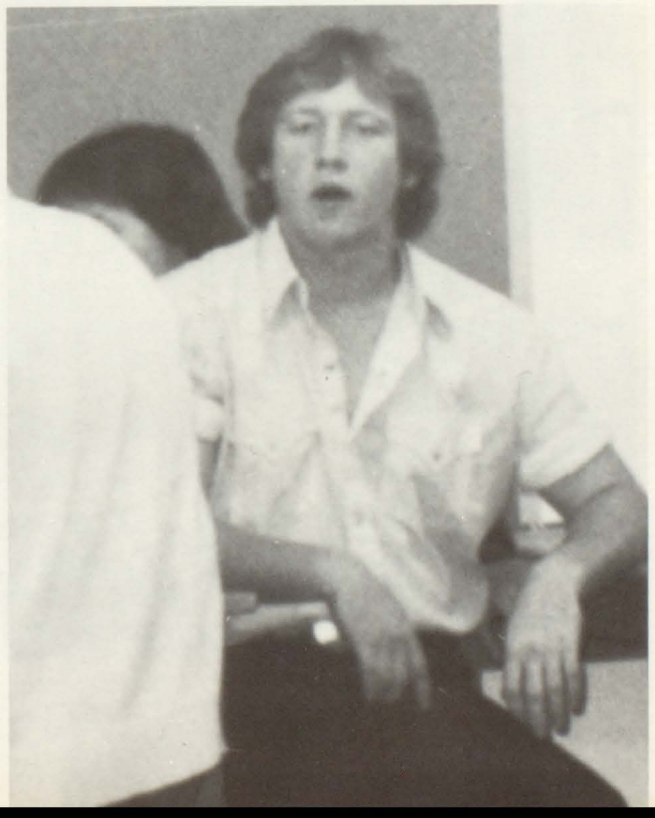

Lee Wayne is an all district football letterman, for three years. He also is on the paper staff, works in the office, and participates in quill and scroll.

Carla plays basketball, was a three year letterman and also made all district. She also is the annual editor, serves as class president, is involved in National Honor Society, student Government, and quill scroll.

We would like to say thanks to both for donating so much time and effort to Kennedale High School in their four years here. Congrats Carla and Lee Wayne.

WHAT A PASSING PARADE

The J.V. Football team displayed great talent this year. They gave what it takes to win. The pride they show has made the J.V. what it is today. Coach Barrett said he is looking forward to another great year. For this '83 season the J.V. did a terrific job.

The Varsity Volleyball team of '83 may not have had a winning season, but these girls practiced hard to overcome the fact that they were young and inexperienced. With only 2 returning lettermen, this team had a lot to learn about consistency and teamwork. They grew together in their skills and also in friendship. Since this team is so young we're looking for great things in the future to happen for Kennedale's Volleyball teams.

THE J.V. VOLLEYBALL TEAM HAS PROVEN THAT THEY WANTED TO BE WINNERS. IT TAKES A LOT OF HARD WORK, DEDICATION, DETERMINATION, AND PRIDE, TO PUSH ONE'S SELF TO THE BEST OF THEIR ABILITY. THE J.V. TEAM HAVE DONE JUST THAT. CONGRATULATIONS GIRLS.

THE ONES TO WATCH

The Varsity basketball team did a good job this year and came out with a record of 7-13. They worked hard in practice and out on the court. Also, with the school moving down to 2A competition next year, they are expecting a better season with a lot more wins. So this group of athletes is definitely the "ones to watch."

Regional Qualifiers — 3rd

Our sprint relay team placed 3rd in district to qualify for alternates in the regional meet in Commerce. Although they only went as alternates, this is the first time that anybody has qualified in a running event since 1974. Also, there are no seniors on the team so they will be back next year in 2A competition. This year's team did well in representing Kennedale at district, and they should be proud of it. Good job, men!!

BEING A CHEERLEADER

"What is a cheerleader?" people may seem to know yet they tend to question. Because the answer cannot really be given in just one definition. Sure a cheerleader should have sharp motions, tumbling, and jumping ability And I might add controlling the mood of the crowd and sportsmanship to the three. Dressed in a uniform giving the team pep, Is only one of many cheerleading steps. The first is for each individual to become a true friend, One who puts themself aside and understands where the other has been

Cheerleading takes lots of hard work, dedication, and desire. For the long hours of practice and the dreadful week of camp does make one tired. It is also a time of experiencing and learning many things, Like how to lead, follow, and even cooperate with the rules one might bring. Finally come "friends" cheering in excitement and fun Creating special memories as each step is done

These are only a few of the steps one should consider Before they try out to be a "cheerleader." Be sure you take in mind of all the time and work it demands. But more importantly the "friendship" which is the basis of what cheerleading stands.

So a challenge has been made for each one that tryout Be friends first then cheerleaders and things will work out.

Good Luck

HOMECOMING

THE PEP RALLY

The Homecoming Pep Rally was a very special one for Seniors as well as Freshmen. It is one that will be remembered over all other Pep Rallies of the year. The posters, the cheerleaders, the team, Coach Yokely's speech, the band, and the student body all came together in a special way, that only a member of K.H.S. can know.

THE PEOPLE

The People of K.H.S. are certainly different from anywhere else. They are unique and special. People at our school are filled with spirit, pride, and more. They back our team in every way possible. It's great to be involved with people who care. Kennedale students hear the laughter, see the smiles, and feel the closeness of a real student body. It's great to be a part.

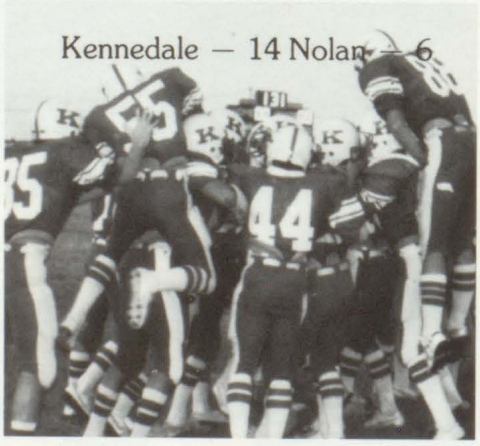

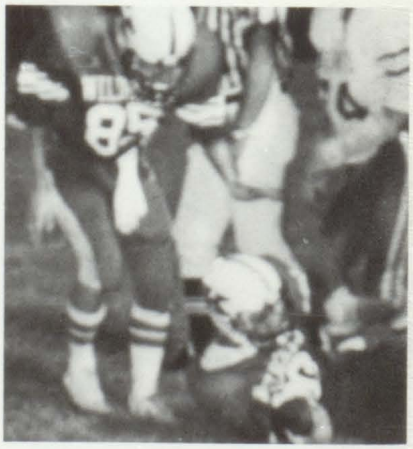

THE GAME

After losing the toss at the start of the game, the Wildcats started on defense. After one play Raymond Lopez recovered a fumble, that put the green team on Nolan's 20 yd . line. Daryn Roberts, Bob Cooley ran in the touchdowns. Extra points were kicked by Scott Prater.

Making all this possible was excellent defense and coaching techniques.

PASS ON A SMILE

A smile costs nothing but gives much.
It takes but a moment, but the memory of it can last forever.
None are so rich that can get along without it;
And none so poor but that can be made rich by it.
It enriches those who receive without making poor those who give.
It creates sunshine in the home, fosters good will in business, and is the best antidote for trouble.
And yet it cannot be begged, borrowed, or stolen, for it is of no value unless it is freely given away.
Some people are too busy to give you a smile.
Give them one of yours.
For the good Lord knows that no one needs a smile so much
As he or she who has no more smiles left to give.

OUR SENIOR TRIP

May 18, 19, and 20th.
Bahai Mar Resort
South Padre Island, Tx.

We knew this senior trip was going to be different when our plane left the ground and Penny Turner burst into tears. The plane ride was a new experience for many of us and I have to admit it wasn't so bad after we left the ground. (It was a lot better than that 45 minute bus ride we made to our hotel)

Suitcases in one hand, cameras in the other we made our way up to the fifth floor. We knew things were going to be rough with Lee Wayne, Clint, Terrel, and Bobby right across the hall from Carla, Misti, Michelle, and Sharon. You can imagine!!!

Everything started out okay until we were all at the beach and Jamie Wall decided if you walked far enough across the ocean "it would get shallower, yall." It took a lot of swimming and people to get her back. The beach was great. We had to buy an innertube to keep our "funcstic" from drowning, because she doesn't know how to swim. We sure found a lot of shells on the beach and seaweed. But the funniest seaweed we saw was on a "lady" our guys seem to meet. We still can't figure out how Billy D. had his car there when he flew on the plane, or how dragons got on an island.

Louey's Backyard was a fun place to play, until the hurricanes hit, and Mike Carter was sure enough ready to come home. Bobby R., Cling B., and Raymond L., were also caught up in the mess. The delivery boy from Pizza Inn became a regular on our floor, since that's how most of us survived.

There's a hurricane out there!

Where's the Beach?

The swimming pool was the main spot for recreation at night. Friday we all took a midnight swim, and Saturday we all closed our eyes as Terrell and Clint had themselves a "swim." The pool would have been okay, except the Security Guard that tried to tell Dwayne Calhoun he didn't care if was a Kennedale Senior the pool closed at 2 o'clock.

The hot tub was another fun spot to crash. We all just sat around and made our future plans, scorched our bodies in 120 degree water, and loved every minute of it.

Everyone got burnt, everyone lost the key to their room, everyone wanted Jan to go to the store, everyone liked Misti and Carla's "towels" and Danny's camera. All in all we had a blast, and I don't think it will be long forgotten. WE the SENIORS of 84 extend a real big thanks to Sharon and Clinton Batchelor, and Joe and Fay Ivy for being so understanding about the 11 o'clock rule, and thanks to Mike Carter and Dwayne Mckinley for running us all around.

I doubt we will ever forget Padre Island or the shirts that said,

WHERE'S THE BEACH???

Prom night is one that will not soon be forgotten by those who attended. It was held in the Headliners Club of downtown Fort Worth and everyone was dressed in their finest. During the program the prophecies and the wills of the Class of '84 were read aloud to the audience. Also, special funny awards were given, by the teachers, to every senior to reflect upon their own personality or something that had happened to them during the year. Then came the moment to crown the King and Queen of the night. Jamie Shelton, Jason Bryan, Carla Hodges, Terrell Tyner, Michelle Torres, and Lee Wayne West were called forward as the nominees. There was a pause of silence then Carla Hodges and Lee Wayne West were crowned and began their dance to the theme song, "Just You and I." It was a very special night for everyone.

FAREWELL CLASS OF 1984

Some of the fondest memories of the Class of 1984 were the times that we discovered important parts of ourselves and experienced new emotions.

We learned responsibility — to make a commitment and keep it, no matter how much time and dedication it required. At times we were worn down, but we always struggled to keep a constant pace.

For some it was band or cheerleading. For others, it was a sport or two. Participants discovered a nonstop will that kept us going in a positive direction. We practice whenever and wherever possible — always moving forward. The mental concentration and physical abuse reached new heights. We were all striving for a similar goal — personal and overall perfection; to be better than ever before.

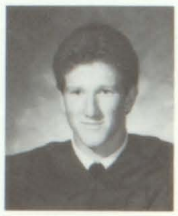

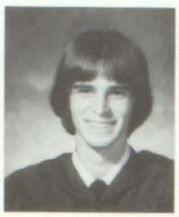

There were others of us, of course, who chose to be less involved in school. We were the ones who played the part of the dedicated employees. We worked long hours, received slave pay; but, nevertheless, we had a good time.

Still there were times when no one could be categorized. The times were those when we all gathered for a celebration, for a special picture, or for the lack of anything better to do. On occasions like this, we learned about each other; we grew together and made memories.

But all good things must come to an end. Here is where we say our farewell to each of you, the CLASS OF 1984.

Believe In Yourself

A word of thanks . . .

If you'll remember always
there's no goal you can't achieve
If you'll try your very hardest
and above all else, believe —
Believe that you're a person
who has something good to give
Believe that you can make this world
A better place to live —
If you'll believe your talents
and your skills are needed, too,
there's nothing
in the world you can't do

God Bless you all
